**Ninth Amendment to the Contribution Arrangement between the United Kingdom of Great Britain and Northern Ireland and the International Bank for Reconstruction and Development concerning the trust fund for the Strategic Climate Fund (MTO No. 069012)**

1. Reference is made to the Contribution Arrangement between the United Kingdom of Great Britain and Northern Ireland, acting through the Department for International Development and the Department for Business, Energy and Industrial Strategy (formerly known as the Department of Energy and Climate Change) (the "Contributor"), and the International Bank for Reconstruction and Development (the "IBRD") of the trust fund for the Strategic Climate Fund ("SCF") (MTO No. 069012) (the "Trust Fund") as trustee (the "Trustee") effective as of March 26, 2009, as amended (the "Contribution Arrangement").

2. We are pleased to acknowledge, on behalf of the Trustee, the intention of the Contributor to make an eighth supplemental contribution to the Trust Fund in the amount of two hundred million Pounds Sterling (GB£ £200,000,000) as a Capital Contribution to the Trust Fund (the "Eighth Supplemental Contribution"). The Eighth Supplemental Contribution will be made by the Contributor through the Department for Business, Energy and Industrial Strategy (BEIS). With the Eighth Supplemental Contribution, the total amount allocated by the Contributor to the Trust Fund will now aggregate to two billion two hundred fifty two million eight hundred and ninety six thousand seven hundred and sixty Pounds Sterling (GB£2,252,896,760) (the "Contribution"), of which two billion and forty three million nine hundred and twenty one thousand seven hundred and sixty Pounds Sterling (GB£2,043,921,760) is Capital Contribution and two hundred and eight million nine hundred and seventy five thousand Pounds Sterling (GB£208,975,000) is Grant Contribution.

3. Pursuant to paragraphs 3.2 of the SCF Standard Provisions, the Contributor designates that the Eighth Supplemental Contribution will be allocated in full to the Clean Technology Fund (CTF).

4. The amount of the Eighth Supplemental Contribution transferred to the CTF Trust Fund (MTO No. 069011) in accordance with paragraph 3 above will be administered by IBRD as trustee of the CTF Trust Fund as a Capital Contribution to the CTF, in accordance with the CTF Standard Provisions. The Trustee will transfer the amount so allocated to the CTF upon receipt of the promissory notes referred to in paragraph 5 below which specify the full amount is transferred to the CTF.

5. Unless otherwise decided by the Contributor and the Trustee, the Contributor will deposit with the Bank of England the Eighth Supplemental Contribution in the form of non-interest bearing demand promissory note(s) of the Contributor by no later than March 2021.

6. The Contributor will promptly notify the Trustee when the promissory note has been deposited with the Bank of England.

7. The Trustee may, upon submission of an encashment request to the Contributor, encash the promissory note based on liquidity needs for the trust fund to which the Eighth Supplemental Contribution has been allocated, as determined by the Trustee in its sole discretion (after having regard to the approximate proportion of cash made available by each of the Contributors relative to the total amount of the contribution committed by that Contributor).

8. Promptly following receipt of the encashed Eighth Supplemental Contribution funds in cash and the Trustee's determination that the funds have been credited to the Trust Fund, the Trustee will convert such funds into United States Dollars.

9. All other terms of the Contribution Arrangement will remain the same.

10. The IBRD will disclose this Arrangement and related information on the Trust Fund in accordance with the World Bank Policy on Access to Information. By entering into this Arrangement, the Contributor consents to the disclosure of this Arrangement and related information on the Trust Fund.

11. Please confirm your acceptance with the foregoing, on behalf of the Contributor, by signing and dating three originals, returning one original to the Trustee. Upon receipt by the Trustee of the original of this Arrangement, countersigned by you, this Arrangement will become effective as of the date of the countersignatures. It is understood that this Arrangement is not an international treaty. It is an administrative arrangement between the Contributor and the Trustee.

Sincerely,

**INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT**
**as Trustee of the trust fund for the Strategic Climate Fund and Trustee of the trust fund for the Clean Technology Fund**
