TO: The President, International Development Association

Recommendation of the Committee under Section 1(d) of Article V of the Articles of Agreement on the proposed Additional Financing (Science and Technology Higher Education Project) to the United Republic of Tanzania

The undersigned Committee constituted under Section 1(d) of Article V of the Articles of Agreement of the International Development Association (the Association) hereby submits its recommendation pursuant to said Section in respect of the proposal that the Association grant to the United Republic of Tanzania (the Recipient) an additional financing in an amount equivalent to SDR 9,800,000. The purpose of said additional financing is to assist the Recipient in: (i) to increase the quantity and quality of higher education graduates, with special emphasis on science, technology and education; and (ii) to lay the foundations for improved responsiveness of tertiary education to the labor market, all through the provision of additional funds to supplement the financial assistance furnished by the Association under the Credit Number 4454-TA, dated July 10, 2008, between the United Republic of Tanzania and the International Development Association.

1. The Committee has carefully studied the merits of the proposal to grant such an additional financing, and of the purpose to which the proceeds of the additional financing are to be applied.

2. The Committee is of the opinion that the project in support of which the proceeds of such additional financing are to be applied continues to come within the purposes of the Association as set forth in Article I of said Articles of Agreement, and that said project is designed to promote the economic development of the United Republic of Tanzania and is of high developmental priority in the light of the needs of the United Republic of Tanzania.

3. Accordingly, the Committee finds that said project continues to merit financial assistance from the Association, and hereby recommends said project for such additional assistance.
The United Republic of Tanzania

Science and Technology Higher Education Project - Additional Financing
