TERMS & CONDITIONS

This Agreement is subject to the following terms and conditions.

PROJECT SUPPORT

PROJECT DESCRIPTION AND CHARITABLE PURPOSE
The Foundation is awarding You this grant to carry out the project described in the Proposal (the, "Project") in order to further the Charitable Purpose. IBRD will administer the grant funds for the Project in accordance with the terms and conditions of a Contribution Agreement to be executed between the Foundation and the IBRD.

MANAGEMENT OF FUNDS

Any income must be used for the Project.

LIMITATIONS ON CAPITAL ASSETS
You may use the Grant Funds to purchase capital assets such as equipment so long as the assets are used exclusively for the Project during the term of the grant and the cost of any single capital item does not exceed $5,000.

Indirect costs are defined as (1) overhead expenses incurred as a result of the Project, but that are not easily identifiable with the Project and (2) administrative expenses that are related to overall general operations and are shared among projects and/or functions. Examples of indirect costs include, but are not limited to, executive oversight, accounting, grants management, legal expenses, utilities, facility maintenance.

For the purpose of achieving Global Access, You will seek prompt publication of any Funded Developments consisting of data and results in a peer-reviewed journal, treatise, or trade publication, as applicable. Such publication may be delayed for a reasonable period for the sole purpose of seeking patent protection, provided the patent application is drafted, filed, and managed in a manner that best furthers the charitable purpose of this Agreement.
