Financing Agreement

(Emergency Multisector Recovery Program-Phase II)

between

REPUBLIC OF ANGOLA

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated December 19, 2007
FINANCING AGREEMENT

AGREEMENT dated December 19, 2007, entered into between REPUBLIC OF ANGOLA (“Recipient”) and INTERNATIONAL DEVELOPMENT ASSOCIATION (“Association”). The Recipient and the Association hereby agree as follows:

ARTICLE I

GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II

THE FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a credit in an amount equivalent to sixty-seven million five hundred thousand Special Drawing Rights (SDR 67,500,000) (variously, “Credit” and “Financing”) to assist in financing the project described in Schedule 1 to this Agreement (“Project”).

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement. The Recipient’s Representative for purposes of taking any action or permitted to be taken pursuant to this Section is its Minister of Planning.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.
2.04. The Service Charge payable by the Recipient on the Withdrawn Credit Balance shall be equal to three-fourths of one percent (3/4 of 1%) per annum.

2.05. The Recipient shall pay interest at a rate of four percent (4%) per annum on the principal amount of the Credit withdrawn and outstanding from time to time which shall be computed on the basis of a three hundred sixty (360) day year of twelve (12) thirty (30) day months. Interest shall accrue from the respective dates on which such amounts shall have been withdrawn, and shall be payable semi-annually in arrears on each Payment Date.

2.06. The Payment Dates are April 15 and October 15 in each year.

2.07. The principal amount of the Credit shall be repaid in accordance with the repayment schedule set forth in Schedule 3 to this Agreement.

2.08. The Payment Currency is Dollar.

ARTICLE III

THE PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project and the Program. To this end, the Recipient shall carry out the Project, through MOP, with the assistance of the Line Agencies and Line Ministries, in accordance with the provisions of: (a) Article IV of the General Conditions; (b) the provisions of this Agreement; and (c) the provisions of the MOU.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV

REMEDIES OF THE ASSOCIATION

4.01. The Additional Event of Suspension is that the Program, or a significant part thereof, has been amended, repealed, or suspended, at the instance of the Recipient, so as to affect materially and adversely the ability of the Recipient to perform any of its obligations under this Agreement.
4.02. The Additional Event of Acceleration is that the event specified in Section 4.01 of this Agreement occurs and is continuing for a period of sixty (60) days after notice of the event has been given by the Association to the Recipient.

ARTICLE V

TERMINATION

5.01. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

5.02. For purposes of Section 8.05 (b) of the General Conditions, the date on which the obligations of the Recipient under this Agreement (other than those providing for payment obligations) shall terminate is fifteen (15) years after the date of this Agreement.

ARTICLE VI

SCHEDULE 1

Project Description

The objective of the Project is to assist the Recipient in its post-war recovery efforts to build foundations for long-term reconstruction, economic rehabilitation, and the reestablishment of state administration throughout its territory.

The Project constitutes the second phase of the Program, and consists of the following parts:

Part A: Rural Development and Delivery of Social Services

1. Rehabilitation of about three hundred (300) kilometers of rural roads in the Bié province.

2. Rehabilitation of about three hundred (300) kilometers of rural roads in the Malanje province.

3. Supervision activities for civil works under Part A of the Project.

Part B: Rehabilitation and Reconstruction of Critical Infrastructure

1. Roads Sector

   Rehabilitation of about 150 kilometers of high traffic roads and bridges linking the cities of Lucala and Negage.

2. Electricity Sector

   (a) Reconstruction of medium and low-voltage power distribution systems in the provincial capitals of Luena, Malanje, N’Dalantando, Kuito, and Uige.

   (b) Reconstruction of about seventy (70) kilometers of power lines network in Luanda.
3. **Water Sector**

(a) Repairs to water service systems in:

(i) the provincial capital of N’Dalantando, including: (A) rehabilitation of about thirty five (35) kilometers of water distribution network; (B) connection to water services for about three thousand five hundred (3,500) households; and (C) construction of about fifty (50) community standpipes; and

(ii) rural areas of the Moxico province, including: (A) construction of about seventy (70) boreholds with hand pumps; (B) rehabilitation of about five (5) small water distribution systems; and (C) renovation of about fifty (50) water points.

(b) Restoration and expansion of water services in the provincial capitals of Malanje, Kuito, and N’Dalantando.

4. **Urban Sanitation Sector**

(a) Carrying out of feasibility studies to determine the type of works needed on Luanda’s drainage and sewerage collection systems to prevent sewage overflows.

(b) Carrying out of a program, including, civil works and corresponding supervisory activities for the improvement of Luanda’s drainage and sewerage collection systems, based on the recommendations of the feasibility studies referred to in Part B.4 (a) of the Project.

(c) Carrying out of a program in the Moxico province, including, designs, civil works, supervisory activities, acquisition of equipment, and provision of consultant services to assist with erosion control measures in areas prone to natural disasters.

5. Supervision activities for civil works under Part B of the Project.
Part C: Sector Development Strategies and Strengthening of Human and Institutional Capacities

1. Design and implementation of strategies to develop key infrastructure areas, including electricity, transport and water services.

2. Provision of technical assistance and training to Line Ministries, Line Agencies, and MOP to strengthen their capacities in infrastructure development matters.

3. Provision of technical advisory services to both central and local governments to: (a) develop fiscal transfer mechanisms with appropriate management and operating procedures; (b) design procedures for municipal-level strategic planning; and (c) monitor revenue generated by local governments.

4. Carrying out of an environmental and social assessment in connection with the implementation of the Project.

5. Provision of grants to finance goods, works, services, resettlement and compensations, as provided in the environmental and social mitigation system referred to in Paragraph 5 (b) of Section I of Schedule 2 to this Agreement.

6. Provision of grants to finance goods, works and services for Local Governments’ decentralization and social development projects.

Part D: Management, Monitoring and Evaluation of Project Implementation

1. Provision of technical advisory services and goods for the purposes of supporting the management, monitoring and evaluation of the implementation of activities carried out under the Project.

2. Carrying out Project studies, including, *inter alia*, performance reviews and impact evaluations.
SCHEDULE 2

Project Execution

Section I. Implementation and Other Arrangements

1. The Steering Committee

   The Recipient shall maintain, for the purposes of the Project, the Steering Committee, acceptable to the Association, throughout the period of implementation of the Project, with structure, functions and responsibilities, for the purpose of overseeing the execution of the Project. The Steering Committee shall be chaired by the Ministry of Planning and comprise of the vice-ministers from the Line Ministries or their representatives.

2. The PMIU

   (a) The Recipient shall maintain within MOP, at all times during Project implementation, a Project Management and Implementation Unit (the PMIU), with a structure, functions and responsibilities acceptable to the Association, including, inter alia, the responsibility of the PMIU to assist the Recipient and the Steering Committee in the coordination, implementation, monitoring and supervision of the Project.

   (b) The Recipient shall ensure that the PMIU is, at all times during Project implementation, headed by a Project coordinator and staffed with an accountant, an internal auditor, an international financial management specialist, an international procurement specialist and other professional and administrative staff, all hired through competitive processes, in accordance with the provisions of Paragraph C of Section III of this Schedule, in numbers and with qualifications and experience acceptable to the Association.

   (c) Except as the Recipient and the Association may otherwise agree in writing, the Recipient shall not introduce changes in the number of positions of the PMIU or in the professional skills required for occupying such positions, unless said changes have been previously agreed with the Association.
3. **The Operational Manual**

(a) Without limitation upon the provisions of Section 4.01 of the General Conditions, the Recipient shall carry out the Project in accordance with a manual (the Operational Manual), acceptable to the Association, said manual to include, *inter alia*:

(i) an institutional implementation plan of MOP, the Line Agencies and the Line Ministries for the management of the Project (including, *inter alia*, allocation of responsibilities among staff, yearly planning of activities and budget and time allocation for those activities);

(ii) detailed arrangements for the overall carrying out of the Project including, *inter alia*, the procurement, financial management, environmental, and social guidelines to be followed during Project implementation by the Recipient;

(iii) the guidelines for the preparation of the Annual Action Plans;
