Dear Mr. Nakavulevu:

We refer to the Global Environment Facility Grant Agreement for the Sustainable Energy Financing Program (the “GEF Grant Agreement”) for the Sustainable Energy Financing Program dated July 9, 2007 (as amended to date) between the Republic of Fiji and International Bank for Reconstruction and Development (acting as an Implementing Agency of the Global Environment Facility – the “World Bank”).

We are pleased to inform you that, further to discussions between our staff, including the recommendations of the supervision Aide-Mémoire dated April 5, 2012, the World Bank hereby agrees to amend the GEF Grant Agreement as follows.

1. The definitions of “Training” and “Incremental Operating Costs” included below the table appearing under Section IV, subparagraph 2 of the Agreement are revised to read as follows:

“For the purpose of this paragraph: (i) the term “Training” means training provided as of February 11, 2009 to retailers, small enterprises, end users of Participating Financial Institutions, and staff of the Recipient’s Ministries, the Executive Agency, the Management Contractor and Participating Financial Institutions, including purchase and publication of materials, rental of facilities, course fees, and travel, accommodation and subsistence of trainees and trainers, all as included in an annual budget approved by the World Bank; and (ii) the term “Incremental Operating costs” means operating costs required as of February 11, 2009 for the Project including consumable materials and supplies, advertising, communications, mass media and preprinting services, vehicle rental and operation, insurance, fuel and maintenance, charge for the opening and operation of bank accounts required for the Project and travel, accommodation and subsistence for operational staff of the Project, all as included in an annual budget approved by the World Bank.

2. Part 2(g) of Schedule 1 of the Grant Agreement is amended to read as follows:
“(g) review the Recipient’s energy policies and implement measures to address any barriers to significantly increasing the adoption and use of renewable energy technologies and more efficient use of energy, and carry out renewable energy resource studies and studies regarding the efficient use of energy.”

3. Section III (C) (2) of Schedule 2 of the Grant Agreement is amended as follows:

“Other Methods of Procurement of Consultants’ Services. The following methods, other than Quality- and Cost-based Selection, may be used for procurement of consultants’ services for those assignments which are specified in the Procurement Plan:
Least-Cost Selection (LCS);
Selection Based on the Consultants’ Qualifications (CQS);
Single Source Selection (SSS); and
Selection of Individual Consultants.”

Except as specifically amended herein, all other terms and provision of the GEF Grant Agreement remain in full force and effect.

Please confirm the Recipient’s agreement to the foregoing by having an authorized official of the Recipient sign and date one of the enclosed copies of this Letter of Amendment, returning it to the World Bank, and retaining the other original for your records.

This Letter of Amendment shall become effective upon signature by both parties.

Very truly yours,

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT/INTERNATIONAL DEVELOPMENT ASSOCIATION
