REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS OF
HEALTH SECTOR REFORM PROGRAMME
CONSOLIDATED FUNDS
FOR THE YEAR ENDED 31 MARCH 2019

Opinion
Sheeran and Associates, under Section 24 (1) of the Audit Act, 2016, have audited the financial statements of Consolidated Funds for
CDC/PEPFAR; GAVI & GoL GAVI; GoL Cancer Treatment Centre;
United Nations Children’s Fund; GoL Maternal, Newborn & Child
Health; GoL Lesotho Maternal Health PBF; SATB & HSS; Lesotho
Maternal and Newborn PBF (HSPE); GoL Counterparts (Global Fund
TB Counterpart); WHO/GoL NDSO Warehouse; Maseru Hospital GoL
set out on pages 4 to 129, which comprise the statement of sources
and uses of funds for the year ended 31 March 2019, and notes to
the financial statements, including a summary of significant
accounting policies and other explanatory notes.

In my opinion, the accompanying financial statements present fairly,
in all material respects, the financial position of the Project as at 31
March 2019, and its financial performance for the year then ended in
accordance with International Public Sector Accounting Standards
(IPSAS).

Basis for Opinion
I conducted my audit in accordance with International Standards on
Auditing (ISA). My responsibilities under those standards are further
described in the Auditor’s Responsibilities for the Audit of the
Financial Statements section of my report. I am independent of the
Project in accordance with the International Ethics Standards Board
for Accountants’ Code of Ethics for Professional Accountants (IESBA
Code) together with the ethical requirements that are relevant to my
audit of the Project financial statements in Lesotho, and I have
fulfilled my other ethical responsibilities in accordance with these
requirements and the IESBA Code. I believe that the audit evidence
I have obtained is sufficient and appropriate to provide a basis for my
opinion.
Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. There were no key audit matters identified during the course of the audit.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IPSAS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Programme’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Project financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the project's internal controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Programme's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Project to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

LUCY LIPHAFA (MRS)
AUDITOR-GENERAL
