SCHEDULE 1

Project Description

The objective of the Project is to increase utilization and improve the quality of health services within the country of the Recipient with a particular focus on child and maternal health and communicable diseases.

The Project consists of the following parts:

**Component 1: District Service Delivery**

A. Provide support for the provision of Health-Services Packages related to childhood illnesses, maternal, reproductive and obstetrical health care, family planning, child and maternal nutrition, and communicable diseases, through the financing of goods and services through

   (i) the provision of Performance-Based Payments to District Health Authorities, NGOs, and Health Facilities; and
   (ii) the financing of Operating Costs of the Approved SFHPs and payment of the management fee of the Approved NGO.

B. Provide support for the financing at the national level of procurement of goods, including drugs and medical equipment.

C. Establishment of external controls in relation to the provision of Health Services Packages, including the carrying out of third-party verifications thereof.

**Component 2: Institutional Strengthening**

Strengthen the MoH at the national, provincial and District levels in the areas of: (i) performance contracting, including setting up the institutional framework and systems and building capacity to prepare and negotiate contracts, developing a core set of indicators and setting payment levels, strengthening supervision, validating results through technical and financial audits, making payments based on results attained; evaluating the scheme, and scaling up successful elements; and (ii) putting in place a unified information system to generate up-to-date, reliable, financial and programmatic data to measure performance; all through the provision of technical assistance, training, goods and equipment.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

Steering Committee

(a) The Recipient shall maintain, throughout Project implementation, the Steering Committee in form and substance and with functions and resources satisfactory to the Association, in accordance with the Steering Committee Arrêté.

(b) The Steering Committee shall be responsible for overall coordination of Program implementation.

Operational Unit

(a) The Recipient shall maintain within the MoH, throughout Project implementation, the Operational Unit in form and substance and with functions and resources satisfactory to the Association, in accordance with the Operational Unit Ministerial Decision and including staff with qualifications, experience, and terms of reference satisfactory to the Association, including the persons referred to in Section 4.01 (b) of this Agreement.

(b) The Operational Unit shall be responsible for coordinating day-to-day implementation of the Program and the Project.

B. Implementation Arrangements:

Approved SFHP and/or Approved NGO

(a) To ensure the implementation of Component 1.A of the Project, the Recipient shall within each Province, either

(i) establish in accordance with Section V.3 of Schedule 2 of this Agreement, and thereafter maintain, throughout Project
implementation, a SFHP in a manner, and in form and substance and with functions and resources satisfactory to the Association; or

(ii) recruit in accordance with the terms of Section III of Schedule 2 of this Agreement, a performance-based NGO in form and substance and with functions and resources satisfactory to the Association satisfying the requirements of Section V.4 of Schedule 2 of this Agreement.

(b) Each such NGO and SFHP shall be responsible for the implementation of Component 1.A of the Project within its area of responsibility by:

(i) Entering into Performance-Based Contracts with District Health Authorities, NGOs, and/or Health Facilities;

(ii) Transferring the funds advanced by the MoH to the SFHP to the District Health Authorities, NGOs and/or Health Facilities in accordance with the terms of the Performance-Based Contracts;

(iii) Monitoring on a quarterly basis the implementation of the Performance-Based Contracts and collecting or coordinating data collection related to the contracted services; and

(iv) For each such Approved NGO, providing technical assistance at least to the SFHP active within its area of responsibility

C. Subsidiary Agreement

1. To facilitate the carrying out of the SFHP’s Respective Part of the Project, the Recipient shall make part of the proceeds of the Financing available to such SFHP on a grant basis, under a subsidiary agreement between the Recipient and the SFPH, under terms and conditions approved by the Association (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of their respective provisions.

D. Performance-based Payments to Eligible Health Authorities
1. The Recipient shall submit to the Association for review and approval a satisfactory operational manual (the "PB Manual") for each Approved NGO, outlining implementation, organizational, administrative, monitoring and evaluation, environmental and social monitoring and mitigation, financial management, disbursement, and procurement arrangements for purposes of implementation of results-based financing in the health sector under Part A.1 of the Project, as well as a detailed assessment of the estimated unit costs of the Health Services Packages to be provided by the Eligible Health Authorities.

2. The Recipient shall make Performance-Based Payments to Eligible Health Authorities under Part A.1 of the Project in accordance with eligibility criteria and procedures acceptable to the Association, which shall include the following:

   (a) a pre-screening by the Approved NGO or Approved SFHP, as applicable, of the eligibility of the Health Authorities, having regard to eligibility criteria and procedures acceptable to the Association, which shall be specified in the PB Manual and shall include the following:

      (i) The proposed Health Authority must satisfy technical and financial capacity standards as assessed by the Approved NGO or Approved SFHP, as applicable;

      (ii) the proposed Health Authority is a health service provider carrying out Health Services Packages;

      (iii) the proposed Health Services Package satisfies the requirements of Part A.1 of the Project as described in further detail in the PB Manual;

      (iv) the proposed Health Services Package is consistent with the relevant sectoral, environmental, and social standards and policies (including the Waste Management Plan); and

      (v) the proposed Health Authority has put in place all necessary arrangements, including financial and human resources, for the management of the proposed Health Services Package.

   (b) a review by the Approved NGO or Approved SFHP, as applicable, prior to any Performance-Based Payment to a specific Eligible Health Authority, of the performance of such Eligible Health Authority, having regard to the performance indicators set out in the PB Manual and the Performance-Based Contract with such Eligible Health Authority.
3. The Recipient (through the Approved NGO or Approved SFHP, as applicable) shall make Performance-Based Payments to Eligible Health Authorities pursuant to an agreement with such Eligible Health Authority on terms and conditions acceptable by the Association (the “Performance-Based Contract”), which shall include the following:

(a) The Performance-Based Payments shall be on a grant basis

(b) The Recipient shall obtain rights adequate to protect its interests and those of the Association, including the right to:

(i) suspend or terminate the right of the Eligible Health Authority to use the proceeds of the Performance-Based Payments, or to obtain a refund of all or any part of the amount of the Performance-Based Payment then withdrawn, upon the Eligible Health Authority’s failure to perform any of its obligations under the Performance-Based Contract, including, without limitation, the obligation to use the proceeds of such Performance-Based Payments solely for the financing of goods, services [minor maintenance] and Operating Costs; and

(ii) require each Eligible Health Authority to: (A) carry out its activities with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Association, including in accordance with the provisions of the Anti-Corruption Guidelines; (B) provide, promptly as needed, the resources required for the purpose; (C) procure the goods and services to be financed out of the Performance-Based Payments in accordance with procedures ensuring efficiency and economy; (D) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Association, the progress of its performance and the achievement of its objectives; (E) maintain adequate records to reflect, in accordance with sound accounting standards acceptable to the Association, the resources, operations, and expenditures relating to the Performance-Based Payments; and (2) at the Association’s or the Recipient’s request, have such records audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and promptly furnish the records as so audited to the Recipient and the Association; (F) enable the Recipient and the Association to inspect the
performance of such Eligible Health Authority, its operation and any relevant records and documents; and (G) prepare and furnish to the Recipient and the Association all such information as the Recipient or the Association shall reasonably request relating to the foregoing.

4. The Recipient (through the Approved NGO or Approved SFHP, as applicable) shall exercise its rights under each Performance-Based Contract in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive any Performance-Based Contract or any of its provisions.

E. **External Controls**

1. The Recipient shall appoint external auditors, with qualifications, experience, and terms of reference satisfactory to the Association, for purposes of the third-party verification of Health Services Packages to be carried out under Part A.1 of the Project.

2. The Recipient shall cause said auditors to carry out, throughout Project implementation, quarterly verifications of provided Health Services Packages, including community and focus group surveys, beneficiary spot checks, verification of data provided and records kept by beneficiaries in relation to Health Services Packages, and assessments of the quality of health services provided under such activities, in accordance with the provisions of the BP Manual and the BP Plan.

F. **Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

G. **Safeguards**

(a) The Recipient shall implement the Project in accordance with the guidelines, procedures, timetables and other specifications set forth in the Waste Management Plan and the IPP.

(b) Except as the Association shall agree in writing, the Recipient shall not abrogate, amend, repeal, suspend, waive or otherwise fail to enforce the provisions of the Waste Management Plan or the IPP.
H. Manual

1. Except as the Association shall otherwise agree, the Recipient shall carry out the Project in accordance with the criteria, policies, procedures and arrangements set out in the Operational Manual, and each of the PB Manuals, and shall not amend, abrogate, or waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision thereof. In the event of any inconsistency between this Agreement, on the one hand, and Operational Manual or any of the PB Manuals, on the other hand, the provisions of this Agreement shall prevail.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth [in the Operational Manual]. Each Project Report shall cover the period of three months and shall be furnished to the Association not later than 45 days after the end of the period covered by such report.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than August 30, 2014.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association no later than 45 days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.
Section III. Procurement
