**Procurement**

1. Procurement for the Project will be carried out in accordance with the World Bank’s "Guidelines: Procurement of Goods, Works and Non-consulting Services Under IBRD Loans and IDA Credits and Grants" dated January 2011 and revised as of July, 2014 (Procurement Guidelines); and "Guidelines: Selection and Employment of Consultants Under IBRD Loans and IDA Credits and Grants by World Bank Borrowers" dated January 2011 and revised as of July 2014 (Consultant Guidelines) and the provisions stipulated in the Legal Agreement (LA) and POM. The World Bank Guidelines on Preventing and Combating Fraud and Corruption in Projects Financed by IBRD Loans and IDA Credit and Grants dated October 15, 2006 and revised on January 2011, would also apply.

**Thresholds for Procurement Methods**

2. **Goods**: Goods and equipment estimated to cost US$1,000,000 or more would be procured through International Competitive Bidding (ICB). Goods estimated to cost less than US$1,000,000 and more than US$100,000 would be procured through National Competitive Bidding (NCB). Readily available off-the-shelf goods estimated to cost equal to or less than US$100,000 each would be procured through Shopping (SH) on the basis of at least three written quotations obtained from qualified suppliers. Direct Contracting (DC) may be used in accordance with the requirements outlined in para. 3.7 of the Procurement Guidelines.

3. **Works**: Works estimated to cost equal to US$5,000,000 or more would be procured through ICB. Works estimated to cost less than US$5,000,000 and equal to or more than US$200,000 would be procured through NCB. Contracts estimated to cost less than US$200,000 each would be procured through Shopping (SH) procedures on the basis of at least three written quotations obtained from qualified contractors. Direct Contracting (DC) for works may be used in accordance with the requirements outlined in para. 3.7 of the Procurement Guidelines.

4. **Consultant Services**: Consultancy services to be provided by consulting firms estimated to cost more than US$300,000 would be procured through Quality and Cost Based Selection (QCBS) method. Consultancy services to be provided by consulting firms estimated to cost equal to or less than US$300,000 may be procured through Consultants’ Qualifications Selection (CQS) method. Other methods such as Fixed Budget Selection (FBS), Quality Based Selection (QBS), and Least Cost Selection (LCS) shall be made available through the Legal Agreement irrespective of the amount. Individual Consultants (IC) will be selected in accordance with Section V of the Consultant Guidelines. Single Source Selection (SSS) method for firms and individuals will also be specified in the Legal Agreement. For assignments estimated to cost equal to or less than US$300,000, the shortlist may comprise only of national firms according to the paragraph 2.7 of the Consultant Guidelines. However, if foreign firms express interest, they shall be considered.

5. NCB of the Borrower may be used for procurement of goods, works and non-consulting services for the project, provided that the following provisions are complied with:

(a) Entities in which the Republic of Armenia owns a majority shareholding shall not be invited to participate in tenders for the government unless they are and can be
shown to be legally and financially autonomous and operate under commercial law.

(b) Post-qualification criteria shall only pertain to past contract performance, financial, managerial, and technical capabilities of bidders.

(c) Joint venture partners shall be jointly and severally liable for their obligations.

(d) Estimated contract prices shall not be advertised.

(e) Except for late bids, no bids shall be rejected at the bid opening. The opening procedures shall comply with conditions of paragraph 2.45 of the Procurement Guidelines.

(f) No bids shall be rejected solely because they exceed the estimated price. Bids can be cancelled and new bids invited, only if the conditions of paragraphs 2.61–2.64 of the Procurement Guidelines are met.

(g) All bid evaluation criteria shall be quantifiable in monetary terms or expressed as pass/fail criteria.

(h) Without limitation to paragraph 3 of Appendix 1 to the Procurement Guidelines, advance Bank approval is required for any modifications in the contract scope/conditions during implementation.

</table>

*Must comply with the requirements of para. 3.7 of the Procurement Guidelines.
** Must comply with the requirements of paras. 3.8-3.11 of the Consultant Guidelines.

6. All TORs are subject to the Bank’s prior review irrespective of the prior or post review status of the consulting assignment in the procurement plan.
Post Review Ratio

7. Contracts not subject to Bank’s prior review will be post reviewed by Bank’s supervision missions.

Procurement Plan

8. All contracts to be financed under the project, the various procurement or consultant selection methods, the estimated costs, prior review requirements, and time frame have been agreed between the Borrower and the Bank and presented in the Procurement Plan (see below). The Procurement Plan will be updated as required to reflect the actual Project implementation needs and improvements in institutional capacity. The Procurement Plan its updates or modifications, shall be subject to the Bank’s prior review and no objection before implementation. The final version of the Procurement Plan will be disclosed (without cost estimates) and posted in the Bank’s external website in accordance with paragraph 1.18 of Procurement Guidelines and paragraph 1.25 of the Consultants Guidelines, ATDF’s database, and www.procurement.am.

32. Works contracts to be procured under the project include rehabilitation of heritage hubs, construction of tourism facilities and improvement of access roads and parking areas. There is no prequalification anticipated under the project and works are to be procured using NCB procedure.

33. Consultants to be selected under the project include services for preliminary assessment of buildings to undergo rehabilitation, preparation of detailed designs for the rehabilitation of heritage hubs and author’s supervision, technical supervision of works, destination management, marketing and promotion, audit services, monitoring and evaluation, training and site management plan. UNESCO will be contracted under Single Source Selection for advisory services for cultural heritage.

34. Goods to be procured under the project include vehicles, furniture, and equipment for the rehabilitated sites and tourism facilities.

35. A General Procurement Notice (GPN) will be published in UNDB on-line and in its printed version after negotiations. Specific Procurement Notices (SPN) for all ICB packages and consulting contracts each with cost estimate above US$300,000 will also be published in the UNDB. In addition, the SPNs for civil works contracts will be provided to the Union of Builders of Armenia.

Filing and Record Keeping

36. ATDF will keep complete files of all procurement packages under the project to facilitate post review and Project audit.

37. The procurement related risks are summarized in Table 3.1 below.
